

Parent and Student Mission Team Covenant:

I commit to making the mission team meetings a priority to attend.

- I will let David know if I cannot attend a meeting.

I will participate in fundraising for the mission team. This includes:

- Pancake Breakfast and Rent-a-Kid programs.
- Writing a support letter and sending it out to at least 5 people (not in MHPC church family).

I will commit to maintain respect for our trip leaders and for the people we are serving.

- Following the directions of the leaders.
- Following the directions and rules of the ministry we are working with.

I will refrain from use of drugs, alcohol and tobacco while a member of this team.

I commit to starting the mission trip now.

- Regular attendance and participation in the MHPC body and youth groups.
- Look for opportunities to communicate God's love to my friends, school and neighborhood and to live out God's grace to help those in need.
- Include others and avoid cliques within the group in an attempt to love each member of the team.
- Praying for the Navajo people we will serve and the mission team.

I know that a student can be sent home from this trip at the expense of the parent for behavioral issues. Depending on the misbehavior a student will get a formal warning, parents will be called and then if behavior continues they will be sent home. The exception for this is any sort of behavior that is dangerous to the student or others, which will result in an immediate removal from the team.
